

CURE TALK NEWSLETTER

MANDELA DAY: HOW WE CONTRIBUTED 67MIN (AND MORE) OF OUR TIME TO THOSE IN NEED

OUR VARIOUS CSI PROJECTS

Cure would like to extend a big thank you to Mrs Von Wielligh for this wonderful initiative. Mrs Von Wielligh and her knitting team, hand knit these beautiful and colourful warm blankets that will be donated to charity homes.

The blankets form part of the corner stone of Cure's CSI projects. We thank you for this meaningful and inspiring project. There are **90 blankets** which will be distributed throughout the year to people in need.

FROM OUR HOSPITALS

BELVILLE: On 27 July 2019, 18 patients who have been on a waiting list for months from a nearby hospital received tonsillectomies. THANK YOU to all the specialists, staff, volunteers and sponsors for making this initiative possible.

PAARL: Cure Day Hospital Paarl and Paarl Provincial Hospital took hands, for the second time, with Tonsillectomy operations for 6 children on 29 July 2019. The children that was identified by Dr Andre van Straten(ENT) were on a long waiting list at Paarl Provincial Hospital and we are glad that we were able to assist them. The project forms part of Cure Day Paarl and Western Cape Provincial Health Mandela Day initiative.

MEDKIN: We celebrated Mandela Day on 18 July 2019. A special thanks to Medkin's staff that donated food and clothes towards the PEN's project which is a home for vulnerable adults at Bethesda house. We wanted to ensure that they are fed and kept warm in order to focus on their journey of transformation.

Medkin also hosted 26 kids from the Smile of Joy home. They received free Dental treatment on the 29th of July 2019.

FOURWAYS: The staff at Cure Day Hospital Fourways donated groceries for Mandela Day to the Acres of Love, collected by David Potter the Director of Operations.

Midstream CSI Project

As part of Cure Midstream's CSI initiative, 20 children from Abraham Kriel Children's Home received free Dental & Maxillofacial surgery on 6 August 2019. This project would not be possible without the support of our doctors, Dr Pinheiro, Dr Roux, Dr Botha, Dr Steenkamp and the Midstream Team. A special thank you to all our sponsors, Mrs von Wielligh & her Team for the beautiful blankets.

Cure Midstream had two record months in a Row – May & June

Midstream CSI Project 2

Cure Midstream handed out 30 breakfast boxes to Children from Abraham Kriel Children's Home on Mandela Day – 18 July 2019.

Erasmuskloof Gives Back

The staff of Cure Erasmuskloof opened their hearts and gave much-needed donations to Heneka Haven on 29 July 2019. Heneka Haven is a very special caring home in Pretoria East for abandoned children with special needs. The biological parents usually abandon these children due to their severe mental and physical disabilities, which include being deaf and blind, suffering from epilepsy and a number of other serious conditions. The home is dependent on sponsorships and volunteers and are currently looking after 11 children. It was such a pleasure to be able to help and to meet these wonderful caretakers and children.

Ophthalmology CPD Event

On 18 July 2019, Cure Erasmuskloof hosted an Ophthalmology CPD for Dr Riël De La Bat (Ophthalmologist) and Esme' Prins-Van der Bergh (Ethical Speaker). It was an informative evening with very interesting and relevant topics! Thank you to Allergan, our proud sponsor of the event.

Spar Women's Race

On 3 August 2019 Cure Day Hospitals participated in the Spar Women's Run which was held in Centurion, Gauteng.

In the Spotlight: CURE WILGEHEUWEL

Cure Wilgeheuwel has successfully obtained its BHF certificate and practice number. Cure Wilgeheuwel is now open to all medical aid patients and fully functional. Come visit our new beautiful facility!

Department of Health inspection on 18 July 2019. Cure Day Hospital Wilgeheuwel passed inspection and received our licence.

On 01/08/2019 Dr Brewis (Plastic and reconstructive surgeon) broke the ice and was the first surgeon to perform a procedure in our brand new theatres.

Cure Day Hospital WILGEHEUWEL

NOW OPEN

For more information, please visit our website on www.cure.co.za

...a sneak preview of our new hospital

Cure Day Hospital Wilgeheuwel is a 3 theatre, 18 bed facility that consists of state of the art equipment.

We specialise in **same day** surgery and are committed to making your stay a pleasant one.

Bellville Doctor Event

Cure Bellville treated some of their doctors to a dinner and show at Stardust Theatrical Diner.

Bellville Teambuilding

Staff thoroughly enjoyed a Cupcake making class at the Lindt Chocolate studio.

Bloemfontein News

Our 4th theatre was successfully commissioned on 23 July 2019 by the Department of Health.

Fourways' Brave Kid

A true warrior, Rohan Ramsagar had a procedure done at Cure Day Hospital Fourways and received a bravery gift from Doctor R Rammopo, who spoils all her little warriors with a gift after they come out of theatre.

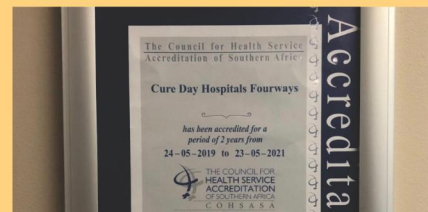

Fourways is Three!

Cure Fourways turned three years old on the Saturday, the 22nd of June 2019, the staff celebrated their hospital's birthday and are proud to be a part of the Cure family. We look forward to another super year ahead.

Fourways News

Fourways was awarded with a COHSASA (The Council for Health Service Accreditation of Southern Africa) certificate. COHSASA assists a range of healthcare facilities in Southern Africa to meet and maintain quality standards.

Medkin Progress

Medkin is undergoing the last phase of its renovations. Currently the female ward is complete. The paediatric and male wards are in progress.

Paarl Function

Cure Paarl was a sponsor at the Malmesbury Sakekame function in August. Mr. South Africa gave an inspirational talk.

Somerset West welcomes...

Cure Somerset West welcomes two new dentists to the team, Dr Nicolette Kitshoff and Maziar Ghaziasgar. We would also like to welcome new Gynaecologist, Dr Candice Morrison.

TRAINING & UPSKILLING

Cure believes in the importance of upskilling our staff. Congratulations Liezl Muller, Marketing Manager at Cure Paarl, on your completion of Digital Marketing course.

Two of Medkin's Enrolled Nurses (Malebo Monaheng and Khomotso Mokgwati) have been enrolled with Thuto Bophelo to become registered nurses.

SMART GUY!

Congratulations to Itumeleng Nkgahle on his outstanding achievement in BTech Hons Office Management and Technology.

Mr Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world." You are well on your way to making those changes, Itumeleng.

MEET OUR HOSPITAL MANAGERS

Ezette van Brakel | Cure Bellville

Ezette completed her General Nursing and Midwifery in 1988, Diploma in Operating Theatre Technique in 1991, Management and Leadership Fundamentals in 2012 and also worked as a Theatre Scrub Sister for 26 years.

Ezette has cultivated a well-run, hardworking and competent team who work together like a well-oiled machine to deliver world class patient care. As a trained Hospital Manager at Cure Bellville, Ezette has many times been able to go back to basics in theatre and has to remain flexible to fulfil clinical, financial and admin roles.

Loami Rossouw | Cure Bloemfontein

Loami graduated with a nursing degree from the University of the Free State in 1999 and started working at Mediclinic in 2000. She has a special interest in the operating theatre especially general laparoscopic surgery. She completed her Advanced Nursing degree with a Nursing Administration and Operating Room Nursing Diplomas.

She is married and has one daughter who loves riding her Pony. Many weekends are spent beside the horse riding arena while supporting her daughter and Buddy, her pony. She also enjoys needle work and golf.

Mariana Neve | Cure Erasmuskloof

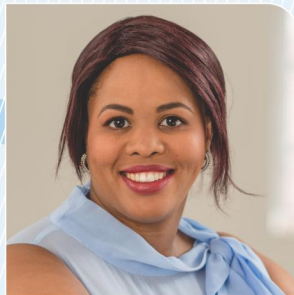

Mariana Neve is a dynamic and energetic person, who has been with the Cure group for more than 7 years. She leads her team with great passion and dedication. Her outgoing personality ensures great relationships with all stake holders. With more than 30 years' experience in the nursing field, she has an excellent track record on problem solving, staff management and other managerial tasks.

Nothando Mkhize | Cure Fourways

Nothando did her undergraduate studies in Nursing at the South African Military Health Services Nursing College in Association with UNISA. Prior to Nursing she did 2 years of social work but in that time was offered a bursary to do Human Resources with the Military. Nothando's experience is with the Military HR; she worked as a shift leader in the Military in various wards; worked as pre authorizations consultant at Discovery and was Unit Manager at Netcare Mediacross for the 3 years. She also has experience in Aesthetics.

Nothando is a mom of 3 children and is married.

Quendaline Messelaar | Cure Medkin

Quendaline is skilled in Healthcare Information Technology (HIT), Healthcare Management, Healthcare, Basic Life Support (BLS) and Patient Safety. She is a strong healthcare services professional with a Diploma in General Nursing Science and currently studying towards a Bachelor's degree focused in B Cur Nursing Science, Administration and Education from the University of South Africa.

Her purpose is to perform, provide and develop all her skills while achieving excellent results in the Day Hospital industry and to be able to utilize her knowledge and abilities to achieve success.

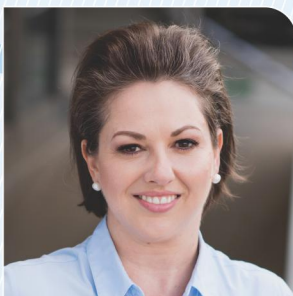

Benita Pretorius | Cure Midstream

Benita completed her 4 year Nursing Degree at the University of North West Potchefstroom in 2015.

She began her career in Theatre as a Scrub Nurse at Life Wilgers Hospital in 2016. Benita joined the Cure Midstream Team in April 2017 and was later appointed as second in charge and then she was appointed as Hospital Manager in June 2019.

Benita is married to Johan Pretorius and her interests are running, camping and anything outdoors.

Anel Scheepers | Cure Paarl

Anel is a Registered Nurse with more than 22 years of nursing experience. Initially in ICU but moved to the recovery room in 2004. She obtained her Bachelor of Social Science in nursing degree from the University of the Free State in 1997. In 2013 she earned a Post-graduate Diploma in Nursing Education (Cum Laude) at the University of Stellenbosch. She is a member of the South African Nursing Council and the Forum of Professional Nursing Leaders. Anel was appointed as Hospital Manager of Cure Paarl in June 2015. Anel believes that the character of a nurse is as important as the knowledge he/she possesses.

Tossie Roux | Cure Somerset West

Tossie completed her General Nursing & Midwifery in 1975. Theatre Technique in 1997. She has worked as a theatre scrub sister for 34 years. For the past 9 years at Mediclinic Stellenbosch, she has been second in charge of the theatre complex. In 2018 she joined the Cure family.

Nursing is her passion and her biggest accomplishment is to mentor nursing students and ensuring they are competent nurses when they join the nursing profession. Sr Tossie is currently Hospital Manager for Cure Somerset West.

Sanet Wagenaar | Cure Wilgeheuwel

Sanet completed her 4 year Diploma in Science, Psychiatry, Community and Midwifery at the Orange Free State School of Nursing, Bloemfontein, in 2001. She also completed Diplomas in Nursing Management and Operating Nursing Theatre at the University of Orange Free State. She continued her further development by completing her Bachelor in Advance Nursing as well as her Dispensing Licence.

Sanet is married to Jan with 1 daughter that is 15 years old.
