

ABOUT OUR DAY HOSPITAL

Cure Day Hospitals Mbombela is the first in the Lowveld and the 13th to join the Cure Day Hospitals group. Located in the heart of Mbombela, the hospital offers a fresh, modern space with scenic mountain views - designed to feel less clinical and more calming. We're proud to offer high-quality same-day surgical care close to home, delivered by a local team that truly understands and supports the community.

Can You Crack the Code?

Put on your thinking cap and see if you can unravel this riddle. I'm the first of my kind in a region quite new, My home's inspired by nature, with views to soothe you. I opened my doors ahead of what was planned, And I'm the 13th in a group that's steadily expanding. I'm known for comfort, care, and a little lodge-style flair.

Who am I?

Patient Feedback:

“Excellent, friendly, competent and professional staff, nurses and doctors.

Thanks to Dr. Mogajane, Dr. November, Betwil Lloyd and the very friendly nurse that attended to my son's extraction of his wisdom teeth. The day clinic is hygienically clean, luxurious and calms the nerves! Cure Day Hospital is definitely the place you want to go to! Well done and bless all!”
